Each Elementary School is its own COI at the most fundamental level: the neighborhood!

City boundaries should be respected.
Unified School districts should be respected.

Zip Codes are the domain of the United States Postal Service, a GSE. They are a Federal sanction of sub-units of geography. Therefore well under your jurisdiction to determine for your consideration.

In testimony COI's are give the same weight as county lines.

Sincerely,

Martin A. C. Enriquez*Marquez
